

February 2019

Guidelines for FRESCO@CNAP affiliation and acknowledgement, Center for Neuroplasticity and Pain (CNAP)

Acknowledgement of EU funding:

FRESCO@CNAP PhD fellows are obliged not only to state your CNAP affiliation according to the CNAP guidelines below, but also to state the EU funding. This should be done by displaying the EU logo and using the following formulation:

“This project has received funding from the European Union’s Horizon 2020 research and innovation programme under the Marie Skłodowska-Curie grant agreement No 754465.”

Please remember this whenever research is presented, published or otherwise disseminated.

Affiliation to Center for Neuroplasticity and Pain (CNAP)

Center for Neuroplasticity and Pain (CNAP), SMI@, Department of Health Science and Technology, Aalborg University, Aalborg, Denmark.

If relevant please use co-affiliation.

Acknowledgement to Center for Neuroplasticity and Pain (CNAP) – if CNAP funds are used for the relevant work (in kind or direct)

“Center for Neuroplasticity and Pain (CNAP) is supported by the Danish National Research Foundation (DNRF121).”

When relevant please add author name. “xxxxx is a part of Center for Neuroplasticity and Pain (CNAP) which is supported by the Danish National Research Foundation (DNRF121).”

When relevant to use a logo, please consider to use both logos from Aalborg University and from the Danish National Research Foundation.

Please contact [CNAP secretariat](#), if any questions.
